Letter of Motivation

1) **Why would you like to do an internship abroad? What is your priority? (For example, have a work experience relevant to my apprenticeship, …**

2) **In which professional field or company would you like to do your internship? (Give three realistic examples, in order of preference)**

3) **Please describe your current vocational training in brief:**

   a. **What are your main tasks?**

   b. **Which qualifications do you already possess (professional skills as well as soft skills)?**

4) **Which aims would you like to achieve through the internship abroad?**

5) **What tasks would you like to carry out during the internship? (Give at least three realistic examples, in order of preference, based on your language level and skills.)**
